Following are said to be the members of Central Committee:

A. Qadir, Dr. Hsan Sharq, A. Zia (son of Def. Min. Intlg. Officer), Khalil, Abdula Allah Sayed Omars, Gen. Haidar, Qader Miakhel Parachaut, Karim Mostaghni, Shahpur Ahmadsai, Gen. A. Zahir, and A. Raseq.

A man told me ^{at} lunch time that, America had also taken party in the coup by making a party on Monday night and invited Khan Mohd and some other Generals. He said that there was also another party by foreigners where Sardar Wali and some Generals were invited. He added that also Gen. Mostaghni had arranged a party for some generals who were arrested at midnight soon after they left Mostaghni's house.

Another source told me that coup took place because Afghanistan had promised her ^{membership} in NATO and that had promised to recognize the Deurand line of Pakistan border.

Another man said that only 400 people (^{Total} in general) had taken part in the coup. About 71 were the leaders of this 400 persons group. The rumors persist that Maiwandval will be in the dabinet, Keshawars will be Agr. Minister, Jallalar Planning, Hakimi, Stemsadi, Pashwak, Sharq, and Sayed Abdullah.

Another source said that the 5 deputies who had voted against the Hilmand Water treaty were appreciated by President Daoud, they are: Babrak, Amin, Wasefi, Fayaz, and Omarkhail.

Central Committee: A lot of people that I have asked about the members of the committee, they seem to know only three of them: Dr. Hasan Sharq, Sayed Mohd Omer, and Gen. Ghulam Haidar.

Dr. Hasan Sharq used to be Private Secretary of President Daoud ten years ago. Now the rumors say that he will either become Minister of Justice or Inf. & Culture.

Sayed Mohd Omer, whose father used to be minister of interior, is working at the moment as the head of Pashtanay Bank. The rumors say that he might become minister of Interior, and caretaker of Planning Ministry.

Gen. Ghulam Haidar, who was a retired ^{Colonel} Dagarwal, has become ^{Lt. General} General and head of the Kabul Central Army Force. He is a famous pro-Daoud army officer.

The rumors add that Gen. Mostaghni escaped a life attack of a royalist soldier in the Defence Ministry building. The rumors also claim that the following people will have membership of the new cabinet: Maiwandwal, Rahman Pazhwak, Dr. Hasan Sharq, S. Omer. They believe that the announcement might take place this week, perhaps Thursday. The last two days' grand-meetings of the Cent. Comm. and other high ranking officials have taken place for the appointments, they have already approved the appointments of the security comm. in provinces.
